PROFILE INFO

Motivated and ambitious software engineering student with skills in programming, public speaking, and leadership. Seeking opportunities to contribute technical expertise and innovative ideas in dynamic environments while continuing to develop professionally.

PROJECTS & EXPERIENCE

■ Password Management System - C#, .NET, SQL Server

Developed a secure password manager with automatic database setup, account categorization, and support for multiple accounts per service. Enhanced my skills in C# programming, database management, and developing functional application features.

■ Yemen Tourism Platform – Java, MVC, JSP/Servlets, MySQL, Bootstrap

Collaborated in a team of three to build a complete tourism booking platform with user authentication, destination and package browsing, secure booking flow, and an admin dashboard with full CRUD capabilities. Contributed to implementing back-end controllers, connecting DAO layers with MySQL, and enhancing the UI/UX with responsive JSP pages.

COURSES & CERTIFICATIONS

- C++ Programming Certification
- Full stack Development (C#, .NET, SQL Server)
- Robotics and Artificial Intelligence Certification
- Arduino and Electronics Certification
- Design and Video Editing Certification
- Communication Skills Certification
- Leadership Development Certification
- Creative & Innovative Thinking Certification

EDUCATION

- 2022 | Maaref Schools
High School Certificate
- 2019 - 2023 | Mawaheb Foundation
Graduate of Mawahib Institute
- 2023 - 2027 (Present) | XMUM
Degree in software engineering

SKILLS

- Java
- C++
- C# Windows Form .NET
- Python
- Microsoft Office
- UI Design (Figma)
- Graphic Design (Photoshop)
- Public Speaking

LANGUAGES

- English
- Arabic - Native
